SERVICE · 01

ROOF RESTORATION · FRANKSTON NORTH

Roof Restoration.

A full-service restoration for tile and COLORBOND® roofs — pressure-clean, re-bed, re-point, prime and top-coat. Brings an old roof back to life without replacement cost.

SCOPE

Pressure clean

Re-bed & re-point

Tile replacement

Primer + top coats

BEST FOR

Faded / mossy roofs

Pre-sale appeal

Roofs 15+ years

Colour refresh

Re-Roofing.

Change the style, performance and look of your home with a full roof replacement — tile-to-tile, or tile-to-COLORBOND®.

SCOPE

Existing roof removal

New sarking + battens

Full re-install

Matched gutters

SPECIALTIES

Tile to tin

COLORBOND® re-roofs

Heritage match

Builder co-ord

COLORBOND® STEEL

Steel roofs, *built for the Australian climate.*

We install the full COLORBOND® steel range, including matte, ULTRA and standard finishes — supplied by BlueScope, installed to warranty spec.

STEEL CORE COLOURS

22 colours. One steel roof.

The full COLORBOND® steel core colour range — classic finishes plus six premium matt finishes — to match any roof, wall, fascia, gutter or garage door.

SERVICE · 04

ROOF REPAIR WORKS

Roof Repairs.

Small job, big job — we take both. From a single cracked tile to re-bedding ridge caps and sealing leaks, our repair crew turns up when they say they will.

COMMON

Cracked tiles

Ridge cap re-bed

Leak investigations

Skylight removal

STORM & INSURANCE

Emergency patching

Insurance reports

Dislodged flashing

Tree damage

SERVICE · 05

ROOF PAINTING

Roof Painting.

A fresh coat protects your home, improves its appearance, and helps it last longer against the elements — applied to both tile and COLORBOND® steel roofs.

PROCESS

1
PRESSURE CLEAN

2
PRIME

3
FIRST COAT

4
TOP COAT

TILE ROOFING

Terracotta & cement tiles.

Terracotta

Rejuvenate, repair or install a new terracotta tile roof — clean, re-bed and re-point to restore the classic finish.

Cement

Economical and extremely durable — cement tiles get stronger with age and paint up beautifully.

Guttering & roof plumbing.

Installation and repair across the full rainwater system — matched to your roof's colour, pitch and run-off requirements.

Gutters

Quad, hi-front, half-round

Downpipes

Round, square, rect.

Fascia

Steel & timber

SPECIALIST WORK

The jobs other roofers won't touch.

08

Pergolas & Bali Huts

Supply & install — shade, privacy, poolside.

09

Asbestos Removal

Licensed removal & replacement.

10

Flat Metal Roofing

Low-pitch and flat-roof solutions, sealed.

11

Tile to Tin Conversion

Strip the tiles, install COLORBOND®.

Matched gutters

SECTION THREE

What
customers
say.

5.0 84 GOOGLE REVIEWS

"Great experience with Sandhurst Roofing. Steve and Andy made the whole process *smooth*. The customer service, quality of workmanship and the price was *top notch*."

**Stan**

GOOGLE · 10 REVIEWS

"Sandhurst Roofing replaced my dad's asbestos roof in Seaford. It looks great. He says they were easy to deal with, showed up on time, took pride in their work and charged a fair price. Thanks fellas."

**Bill Grimshaw**

GOOGLE · SEAFORD

"Pleasure to deal with for such a small job — Steve *went out of his way* to fix our cracked tile. Wished I had used him for our roof restoration; I think I would have had a better job done."

Leon Martin
GOOGLE REVIEW

MORE KIND WORDS

A wall of five stars.

★★★★★

"Andy is professional and his attitude in finishing the job on time stood out. I would recommend him to anyone who needs roofing done."

Marianne Delosa

CHELTENHAM · GOOGLE

★★★★★

"Matty and his team are highly professional from start to finish. Cost was excellent and within my budget — extremely happy with it."

Darren Schroeder

ROOF RESTORATION · GOOGLE

★★★★★

"Best investment we have made. Andy and the install team did a great job. Smashed our tight timelines and didn't let us down."

Conor Sharvin
